

# Musical Textures

*Keister Music Night; First Grade*

**Name:** \_\_\_\_\_.

**Date:** 11/15/2017

## Overview

Feel free to touch what we have laid out for you in the bowls! Try and match what you feel to the sound it will create.

## What you will do:

1. Put your hand in the bowl and tell us what you feel.
2. Match what you feel to the sound you think it would make.
3. Have fun!

## What you will learn:

1. How to describe music in your own words.
2. Explain what you want and why through music.
3. How to create music

---

## Last suggestions:

1. Don't be afraid to ask Ms. Janelle and Ms. Wylie if there can be a sound not offered.
2. Know that you might have a different viewpoint from someone else, there is no need to try and change their opinions on this.

## What did you do?

*How did you play? What were your choices?*

- 1.
- 2.
- 3.

## How did you feel?

*Will you want to do something like this again? Why? What worked? What didn't?*
